**Nurturing Innovation & Unleashing Entrepreneurship**

## PREFACE

Institute of Entrepreneurship Development, Odisha, in collaboration with District Industries Centres, has conducted 197 EDP training programmes of two weeks duration in 30 districts of Odisha. These programmes were allotted to IED by the Directorate of Industries, Odisha to be completed during 2017-18. The profile of each of the trainees, running into more than 6000, was maintained in the Management Information System (MIS) in IED website [www.iedodisha.com](http://www.iedodisha.com) / [www.iedodisha.nic.in](http://www.iedodisha.nic.in). District-wise reports, based on the MIS, have been generated giving the profile of each trainee in the district trained during the year. The profile contains important information such as Aadhaar ID, Place of training, social category, educational qualification etc. It also gives the project identified by the trainees. Some of the districts, where there were relatively lesser number of training programmes, have been clubbed together for generation of profile reports. A graphic presentation of the important characteristics of the trainees has also been given in district(s)-wise Profile Reports.

The Profile Reports, would not only provide valuable information about the prospective entrepreneurs of the district but also give an insight into the potential products that can be promoted in the districts.
